

Dear Long Ashton Residents,

Since initially introducing the parking charges at Ashton Court Estate we have run a parking permit scheme to offer regular visitors a discounted rate to the £1 per vehicle per day – in the past this has been available to Bristol City Council residents only.

However, I am pleased to say that this scheme has now been extended to non-Bristol residents so will benefit our regular estate users from Long Ashton. The parking permit scheme runs annually from 1st April to 31st March and we offer either 6 month or 12 month permits all ending 31st March, at the end of the financial year. Therefore, we are selling permits valid until 31st March 2014 at the rate of £75 per household. This price includes 2 permits per household (vehicle registration document is required as proof of address).

To purchase a permit please contact the Estates Office on 0117 963 9174.

The concessions of not charging at the Church Lodge car park until 10am and the Mansion car park until 9am daily still apply.

With kind regards,

Sarah
